

MVCAA: Moving Families Out of Poverty since 1966

MVCAA has been helping families in Oneida and Herkimer Counties cross the bridge out of poverty for 52 years. MVCAA is the pro-active voice in the community for those who don't often have the capacity to speak for themselves. Early childhood education, youth programming, safe housing programs, family development, and advocacy are the cornerstones of MVCAA. A grassroots organization with a national voice, MVCAA offers innovative, as well as, tried-and-true opportunities that put all families in a position to better themselves.

We invite you to join us as we celebrate our 52 years of accomplishments!

You can be a part of the celebration on May 4th! A sponsorship of MVCAA's Annual Gala is a commitment not only to MVCAA's mission of helping people, changing lives, ending poverty, but will **insure that the commitment to help children and families will continue in the future.**

Sponsorship opportunities include:

Gold -- \$7,500

The Gold sponsorship level is offered to a limited number of sponsors who share the values and vision that MVCAA has for its families. At this level, you will be a partner in the celebration of our community. You will share in all of the marketing materials, before and during the Gala, and you and your guests will be feted at the Gala. Most importantly, your sponsorship will help insure that MVCAA may continue its work with families in the future.
